

CURRICULUM VITAE

Dr Alok Ranjan

M.B.B.S., M.Ch. (Neurosurgery)

MEDICAL QUALIFICATIONS

M.B., B.S., April 1986.
Christian Medical College & Hospital,
Vellore
University of Madras, India

M.Ch (Neurosurgery). Mar 1992
Christian Medical College & Hospital,
Vellore
University of Madras, India.

REGISTRATIONS: INDIA

Full Registration with Indian Medical
Council, New Delhi, India
43998-Andhra Pradesh, India

U.K.

Full Registration with General Medical
Council, London, United Kingdom.
REG No: 4261175 (DEC -95)

PRIZES & HONOURS

Certificate of Honor in ANATOMY, PHYSIOLOGY, BIOCHEMISTRY,
PHARMACOLOGY, MICROBIOLOGY, PATHOLOGY, OPHTHALMOLOGY,
SURGERY

Dr A F DESMOND, Prize in ENT.

PAUL W. BRAND Medal in Orthopedics.

SOMERVELL Medal in General Surgery.

Merit Scholarship for MBBS.

PROFESSIONAL EXPERIENCE

PERIOD	POSITION	INSTITUTE/HOSPITAL
INDIA		
1. Apr85-Apr86	H.O. Medicine/Surgery	Christian Medical College & Hospital, Vellore, India
2. Jul86-Jan87	Non PG Registrar in Neurosurgery	Christian Medical College & Hospital Vellore, India
3. Feb87 -Oct87	Reg in General surgery	CMC Hospital, Vellore
4. Nov87-Dec87	Reg in Anaesthesia	CMC Hospital, Vellore
5. Jan88-Mar88	Reg in Orthopedics	CMC Hospital, Vellore
6. Apr88-Jan90	Reg in Neurosurgery	CMC Hospital, Vellore
7. Feb90-Mar92	Senior Reg in Neurosurgery	CMC Hospital, Vellore
8. Apr92-May94	Consultant in Neurosurgery	CMC Hospital, Vellore
9. Aug98-May99	Consultant in Neurosurgery	CMC Hospital, Vellore
10. Sep 99-	Senior Consultant Neurosurgery	Apollo Hospitals, Hyderabad

UNITED KINGDOM

1. June 94-May 97	Registrar Neurosurgery	Morrison Hospital, Swansea.
2. July 96-Sept 96	Consultant (Locum) Neurosurgery	Morrison Hospital, Swansea.
3. June 97-May 98	Consultant (Locum)	Morrison Hospital, Swansea.
4. May 99-Aug 99	Consultant (Locum)	Morrison Hospital, Swansea.

PUBLICATIONS: ORIGINAL CLINICAL ARTICLES

1. Post laminectomy discitis and other infections. Alok Ranjan, Thomas Joseph, Mathew J Chandy. Neurology India 40:205-210; 1992.
2. Non-diagnostic CT-guided Stereotactic biopsies in a series of 407 cases: Influence of CT morphology and operator experience. Alok Ranjan, V Rajshekhar, T. Joseph, M. J. Chandy, S. M. Chandi.

- Journal of Neurosurgery 79: 839-844; 1993.
3. CT-guided Stereotactic surgery: An overview of 600 procedures. Alok Ranjan, V. Rajshekhar, S. Prakash, et al. Neurology India 41: 193-197; 1993.
 4. Intracellular Tuberculoma.
Alok Ranjan, M. J. Chandy. British Journal of Neurosurgery 8:179-185; 1994.
 5. Stereotactic Craniotomy for lesions in eloquent areas. Alok Ranjan, V. Rajshekhar, Mathew J. Chandy. Journal of Clinical Neurosciences 2(4):303-306;1995.
 6. Outcome in patients with supratentorial malignant gliomas. Result of stereotactic biopsy and radiation therapy. Alok Ranjan, V. Rajshekhar, Mathew J. Chandy. Neurology India 42:191-195, 1994.
 7. Present concepts in the management of Neurological patients with hyponatremia and natriuresis. Alok Ranjan, V. Rajshekhar. Neurosciences Today Vol II: 173-176, 1998.
 8. Ranjan A, Lath R. Microendoscopic Discectomy for Prolapsed Lumbar Intervertebral disc. Neurology India 2006; 54:190-194.
 9. Decompressive surgery for severe Cerebral Venous Thrombosis (CVT).Neurology India 2009(In press)
 10. Ascorbic acid and focal cerebral ischaemia in a Primate model.
Alok Ranjan, D Theodore, R. P. Haran, M. J. Chandy.
Acta Neurochirurgica 123/1-2:87-91; 1993.

CASE REPORTS

11. Intraspinal Mesenchymal Chondrosarcoma.
Alok Ranjan, Geeta Chacko, Thomas Joseph, Sushil M Chandi.
Journal of Neurosurgery 80: 928-930; 1994.
12. Giant Aneurysm of Anterior Ethmoidal Artery presenting with intracranial haemorrhage.
Alok Ranjan, Thomas Joseph.
Journal of Neurosurgery 81:934-936; 1994.
13. Intracerebellar melanotic schwannoma.
Alok Ranjan, Geeta Chacko, Sushil M. Chandi.
British Journal of Neurosurgery 9:687-689;1995.
14. Symptomatic subdural hygroma as a complication of foramen magnum decompression for hindbrain herniation. Alok Ranjan, I.P. Cast. British Journal of Neurosurgery 10:241-243; 1996.
15. Lath R, Ranjan A. Antero-lateral approach for thoraco-lumbar decompression and instrumentation. (Abstract) Neurology India 2004.
16. Lath R, Ranjan A, Swarnalata G. Solitary fibrous tumour of the meninges. Letter to Editor. Neurology India 53:248-249, 2005.

17. Lath R, Ranjan A Ratnam BG, Swarnalata G. Desmoplastic Fibroma of the Frontal Bone. Neurology India 2006;54:314-315.
18. Lath R, Ratnam BG, Ranjan A. Diagnosis and treatment of multiple Hydatid cysts at the Craniovertebral junction. Journal of Neurosurgery Spine Feb. 2007;6:174-177.
19. Ippili K, Ratnam BG, Gowrishankar S, Ranjan A, Lath R. Olfactory Ensheathing Cell Tumor : Case Report. Neurology India 2009; 57:76-78.

CHAPTERS

20. Acoustic Schwannoma in Text book of Neurosurgery;
2nd Edition. National Book Trust of India. Ed Ramamoorthy B. M.J.Chandy, Alok Ranjan. 1037-1060, 1996.
21. Other Intracranial Schwannomas in Text book of Neurosurgery;
2nd Edition. National Book Trust of India. Ed Ramamoorthy B. M.J.Chandy, Alok Ranjan. 1061-1070, 1996.
22. Phakomatosis in Text book of Neurosurgery;
2nd Edition. National Book Trust of India. Ed Ramamoorthy B. M.J.Chandy, Alok Ranjan. 1071-1076, 1996.
23. Ependymoma in Text book of Neurosurgery;
2nd Edition. National Book Trust of India. Ed Ramamoorthy B. M.J.Chandy, Alok Ranjan. 925-930, 1996.
24. Surgical approaches to lateral ventricles in Text book of Neurosurgery;
2nd Edition. National Book trust of India. Ed Ramamoorthy B. M.J. Chandy, Alok Ranjan. 637-639, 1996.

PROJECT GRANT

1. Protective effect of ascorbic acid in focal cerebral ischaemia in a primate model -
Funded by fluid research committee of CMCH Vellore, India.
2. Protective effect of ascorbic acid in focal cerebral ischaemia in a reperfusion primate model
funded by fluid research committee of CMCH Vellore, India.
